

OPERATION OF AUTOMOBILES BY HENRY STEVENS

Saw Henry Stevens drive his Ford station wagon and no other car many times prior to September 14, 1922. Has never seen him drive Mrs. Stevens' car. Has also ridden with Mr. Stevens in his Ford car.

NOTE:

On Friday, September 15, 1922, before undergoing the operation, Mr. Piard prepared his will. He, however, does not wish this mentioned unless it is absolutely necessary.
